

What do you think is happening in this picture? Think about how weeds can affect the health of your animals as well as yourself and the community! Do you know any weeds that can harm animals or people? What can we do to stop this from happening?

A large rectangular box with a solid top and bottom border and five horizontal dashed lines inside, intended for a student to write their answer to the question above.

Check out the website for more information: www.weedbusters.info/

Some weeds look pretty but can be harmful to people, pets, farm animals and animals in the bush. Weeds also choke our native plants. The pretty plant in the picture is lantana. Help stop the spread of weeds - become a Weedbuster

You can find out more about weeds on this website: www.weeds.org.au

Also when you're weedbusting it's a good idea to wear gloves, sunscreen and a hat to protect yourself!
